NOTICE: OAK WILT ON/NEAR YOUR PROPERTY

Dear Property Owner:

The trees on your property have been inspected from the street by a Tree Inspector for the City of Ham Lake as part of the Oak Wilt Disease Control Management Program. Some of the trees observed may be infected with the oak wilt fungus. The City would like to inspect the trees more closely by getting your permission to come onto your property.

Please complete the form below or send an e-mail to trees@ci.ham-lake.mn.us within 10 days of this notice to give the City permission to do a more thorough inspection of the oak trees that appear to be infected. If you feel this notice does not pertain to your property, but pertains to your neighbor's property, please notify us.

Sincerely,

City of Ham Lake Tree Inspector
