If you are not sure if either of these apply, contact your building manager or county treasurer's office.

For Homeowners and Renters Refunds, your 2023 return should be electronically filed, postmarked or dropped off by August 15, 2024. The final deadline to claim the 2023 refund is August 15, 2025.

## Severe Weather Awareness Week is April 8-12

Are you ready for severe weather? Each year, HSEM in collaboration with the National Weather Service sponsors Severe Weather Awareness Week in Minnesota. The week is designed to refresh, remind and educate everyone about the seasonal threats from severe weather and how to avoid them.

It's also a great time to make and practice your emergency plan and build or refresh your emergency preparedness kit.

### Statewide Tornado Drills

The most important events during Severe Weather Awareness Week are the two annual statewide tornado drills.

In Minnesota, the 2024 statewide tornado drills are scheduled for Thursday, April 11 at 1:45 pm and 6:45 pm.

Outdoor warning sirens will sound in a simulated tornado warning. The first drill is intended for institutions and businesses. The evening drill is intended for second shift workers and families.

### Why Severe Weather Awareness Week?

According to the Minnesota Department of Natural Resources, Minnesota experiences an average of 29

tornadoes a year. In 2021, Minnesota recorded 64 tornadoes, including 22 on December 15 alone, which were the latest reported tornadoes on record. A record was set in 2010 with 113 tornadoes touching down across the state

Understanding this threat and knowing what to do when a tornado is approaching can save lives.

Take advantage of Severe Weather Awareness Week to review your own and your family's emergency procedures and prepare for weather-related hazards.

Each day of the week focuses on a different weather safety topic:

- Monday: Alerts and warnings
- Tuesday: Severe weather, lightning and hail
- Wednesday: Floods
- Thursday: Tornadoes (with statewide tornado drills)
- Friday: Extreme heat and wildfires

## HAPPENINGS AT THE SENIOR CENTER

Todd and Regan Birr at the National Curling competition

### Ham Lake Represented at Curling Nationals

Ham Lake residents Todd and Regan Birr qualified to compete in curling's Mixed Doubles National Championships in February in Michigan. Teams accumulate points by winning games on the World Curling Tour competitive circuit. This included the couple playing several competitions in Canada.

Todd is Director of Curling Operations at Blaine's Four Season's Curling Club. He's medaled in several national tournaments and took Bronze at the World Curling Championships in Edmonton in 2007. Regan grew up curling competitively in her home province of Saskatchewan, Canada.

Though they didn't place at Nationals, Regan said, "It's a joy to curl with my husband!"

### Street Sweeping to Begin Mid-April

Street sweeping will begin in mid-April or as soon as weather permits. If a boulevard has salt or sand on it, please rake only the salt/sand material to the edge of the blacktop or curb for pickup by the street sweepers. The boulevard is the distance from the blacktop or curb to the property line (generally 13 to 15 feet).

Please do not rake yard waste material in the City Streets! If you need to dispose of leaves, you can take them to the yard waste dumpster at City Hall or to the compost site at 13285 Hanson Boulevard in Coon Rapids. Other options include composting your yard waste yourself.

Please watch for street sweepers in your area and move vehicles or obstacles that may block sweeping operations. Operators can do a much cleaner job if streets are kept clear. Weather permitting, all City streets will be swept by mid-May. Street sweeping operations will also follow complete seal coating projects on City streets.

### Ham Lake Business Spotlight: Bobby's Car Wash

One of Ham Lake's newest businesses is Bobby's Car Wash, which opened in January of this year.

Bobby's Car Wash offers three Monthly Plans:

- Basic wash-rinse-dry
- Deluxe with Ceramic Rain Repel, hot wax, tire shine and more
- Bobby's Deep Dive that "includes everything under the sea"

Or if you prefer, you can purchase Wash Books for the Deep Dive wash in packages of two, five or ten washes. Along with each wash, you have access to free vacuums, mat cleaner and drying towels.

Each vehicle is prepped before it enters the wash by pressure washing the dirt and dust off. Team members then use a soapy brush, especially focusing on the front and rear of the vehicle.

The tracks and clearance are large enough to accommodate dually pickup trucks and lifted trucks. "I'm from Ham Lake so I know what's out there—we've got a lot of trucks!" co-owner Bobby Awaijane said.

Bobby's Car Wash also has a separate Pet Wash building with two individual stations. These are available for either one wash at a time or a monthly membership.

Ham Lake's new express car wash is a family business owned by Bobby Awaijane and his parents Cindy and Assad Awaijane. Career entrepreneurs, the family has bought and renovated several local businesses over time, primarily gas stations/convenience stores. This is the first they've built from the ground up.

Bobby said, "I've always been interested in the car wash industry. When I saw the *For Sale* sign I got my parents in the car to drive by the property and proposed the idea to them. It was a challenge they were willing to do."

When it came to choosing a name and branding for his car wash, Bobby said, "That was hard! I tried to be creative with names but ended up going with Bobby's Car Wash. My grandfather was a deep sea diver, so I decided to go with the deep sea diving theme." You can see that image on their logo and sign at their location. His other grandfather's name is Robert, who Bobby is named after, so he was able to bring both sides of the family into his business branding.

"The building process was very long with several delays," said Bobby. "But I learned a lot of patience throughout the process. Our first full day of operation was January 18th, then we ran through some hiccups."

Bobby Awaijane with his parents Cindy and Assad Awaijane, co-owners of Bobby's Car Wash

"We've had great support, even through our downtime," Bobby said. "I didn't expect anything less, honestly, because I grew up in Ham Lake. There are good people here."

Bobby is active in the day-to-day operations and enjoys interacting with both his team and their customers.

Bobby's Car Wash is located just north of Casey's at the Highway 65/Bunker Lake Boulevard intersection in Ham Lake at 13741 Johnson St NE.

See the website for the details at [BobbysCarWash.com](http://BobbysCarWash.com) or give them a call at 763-328-0551.

(Ham Lake Ordinance 11-1900)

To report illegal dumping contact Public Works during the work day or call 911 if an emergency.
