

ANOKA COUNTY SHERIFF'S OFFICE SHERIFF BRAD WISE

FRIDAY UPDATE: 06.23.23

Scams

06.20 The victim stated he sent sexually explicit photos to a snapchat account (scarletryannn). He advised as soon as he sent the photos, he was texted demanding he pay \$500 or else they would send the photos to his friends and family. He advised he sent the money with apple pay to the number. Records check indicated that the number was not on file, and most likely a generated number. Deputy recommended he block the account and number, and cease contact.

06.20 I spoke with the victim who reported that he had been contacted by a male who identified himself as Jerry Goodman at the phone number 901-401-1913. He stated that "Goodman" identified himself as a member of an unspecified government agency and requested that he move funds from his Huntington bank account. At "Goodman's" request, he purchased two Target gift cards, two Walmart gift cards, and two Google gift cards with a total value of \$2000 using his Huntington debit card. He then provided the card information to "Goodman". He stated that it was only after providing the gift card information that he realized that the exchange was not legitimate.

06.22 Blackmail: The victim said that the unknown person has obtained nude videos of her that she had made and sent to her at-that-time husband. She reports she does not believe her husband sent these videos to anyone nor is behind the blackmail. She does not know how the videos were obtained by this person only assuming her phone was hacked. She said the unknown person has been threatening her that he will disseminate the videos to all her friends and family that's on Facebook if she does not send him money. She has been sending about \$700 a month to this person since last August. She believes she has sent about \$4000 over time to this person. She also was requested to buy a phone and mail it to Tampa, FL. She has no idea who is doing this nor how they got the videos.
